Quiz Night 4th June

On the first balmy night of summer over 45 members of Harrow Bowls Club met and matched the mood of the weather! The quiz was conducted as ever by Neil and Marion Goodman and produced much head scratching and laughter. Fish and chips were produced at half time to provide much needed sustenance to our over worked brains. Thanks were extended to everyone else who helped including Rene, Anne and Mike. Neil advertised his regular quiz night held on a Wednesday evening. The victorious team Mark's monsters were led by Mark Snell.

Beetle Drive Thursday 23rd July

Roy is arranging this which was great fun and very popular last year. Entrance £6 to include a ploughman's.

Antique bowls day

Geoff Thomas asked people to put their names down if interested in this event on 18th July so that he can arrange format and timing.

COMMITTEE DECISION

On Monday and Wednesday afternoons there must be at least 3 rinks available for roll up. Do not fix any club competitions for those times without checking the situation. There are now roll ups on a Tuesday evening at 6.

Request to caterers!

PLEASE could all caterers make sure that all the rubbish is taken home after their shift. It is very unpleasant for the next caterers to find the bins full.

MIDDLESEX COACHING DAY 9TH JUNE

Disappointingly this event was cancelled only a few days before by Middlesex as they did not have enough coaches. Thanks anyway to Eric Janssen for his usual entertaining cartoons.

Cancelled matches

Wendover match on 21st June cancelled as we were unable to get a team out on Father's day.

01/07/15 Rearranged match with Bishop Duppas cancelled by them.

12/07/15 Cowley have dropped out of TCL league so match cancelled.
However they would like to play a friendly that day.

02/08/15 Match away to Stoke Poges cancelled.

Alpha school visit (report by Anne Snell)

Sixteen children from Alpha School came to visit us this week to try their hand at Bowls. A number of them had a natural flare for the game drawing their bowl directly to the jack! They all played a very competitive game endeavouring to get the most numbers on the scoreboard for their team! The two masters accompanying them also had a mini-match resulting in the Sports Master being beaten for the first time! A re-match has already been arranged for next year!

A big thank you to Shelagh, Marios, Ann J, Maureen A, Myrian, Pauline and Rene who all came along to help and to Mark for setting up the rinks.

Spring Tour 2016

At the Quiz night Mark Snell mentioned the information sheet about next year's possible spring tour to Devon. A list for those who wish to express an interest in going to Langstone Cliff Hotel, Dawlish was put on the notice board.

After that Mark and Anne visited the hotel. They found that it was well situated with lovely garden and sea view. A short walk either down the drive or through the garden and along a footpath would take you to the bus stop and local train station for connections to either Exeter or Torquay. Internally the hotel was very comfortable with generous lounge area overlooking the garden and sea. They saw four bedrooms all of which were well appointed and

roomy. They all had either en-suite bathroom or wet room. A good number also had a sea view. There was an outdoor pool and a lovely warm indoor pool, a small gym, a snooker room and table tennis and plenty of parking. There was also a hair salon and therapy room.

Anne Snell reports that there has been a great response to the suggested venue in Devon for the trip next May. She has now reserved rooms for FOUR nights from Sunday 8th May to Wednesday 11th May inclusive and will let us know when deposits etc. are required. If anyone else would like to join us please add your name to the list on the board or let Anne know. A brochure of the hotel is available in the Clubhouse to give you some idea of what it's like.

Serendipity

Stan Kirby is the only person to have won all club competitions in the same year. This is a chance remark by Peter Sharples and verified in Mike Rosenthal's booklet celebrating the centenary of Harrow Bowls club. This happened in 1981, the same year that support was given to the setting up of Herga. Stan won all club competitions that year! This feat is commemorated on the honours board.

1981 W.H.GRISENTHWAITE V.F.WILMSHURST S.W.KIRBY (WINNER OF ALL CLUB COMPETITIONS)

Further interesting facts in Mike's book: In **1907** complaints were made about mischief in the park including "Lock to shed of HBC broken" and "Roof of pavilion broken".

Writing in **2002** Mike expressed concern about vandalism "One can only hope that with the passing of the present generation of youth into adulthood the current obsession with vandalism will fade"!

Stop Press - Report from Peter Sharples

On Saturday June 27th Anne Snell and the Sharples were privileged to go to Harrow Weald Bowls Club to take part in a triples game to celebrate the dedication of John Entricott who has been a member there for 50 years. Teams from 6 clubs had been invited. John played 3 ends on each rink so that he could meet the visitors. The opposing skip on our rink was Rod Gross who used to be a member at Harrow and wished to be remembered to all his friends. I am pleased to say we won.
